Lebanon Free Clinic

At Lebanon Free Clinic, men, women, and children receive access to primary medical care. Physical needs are met by offering wellness checks along with acute and chronic illness management. Our goal is to provide quality health care, but also to share the love of God by meeting basic health care needs. With the generous help of local practitioners and donations, this is provided at no cost to our patients.

Agape Christmas

Agape Christmas has become a favorite event among staff and volunteers of the Lebanon Rescue Mission. We honor seniors living in residential housing in Lebanon County with a Christmas bag filled with gifts of food, greetings, care items, devotionals, and a handmade lap throw. In December, 2017 we distributed 660 bags to 11 residential complexes in Lebanon County.
